CITY WORKING COLLABORATIVELY TO INFORM PUBLIC ABOUT H1N1 FLU (SWINE FLU) PREVENTION AND CARE

The City of Livermore administration and Police Department are collaborating with the Livermore Pleasanton Fire Department and the Livermore Valley Joint Unified School District to provide current information and assistance to citizens in preparing for and dealing with the emerging health concern related to the H1N1 Flu (Swine Flu). While the H1N1 Flu is a serious virus infection that should be treated with caution, the US Center for Disease Control (CDC) urges a common sense approach. For more information about the H1N1 Flu, visit the following websites:

Centers for Disease Control and Prevention: <http://www.cdc.gov/h1n1flu/index.htm>

Alameda County Department of Public Health: <http://www.acphd.org/>

Livermore Valley Joint Unified School District: <http://www.livermoreschools.com/>

The City of Livermore website www.ci.livermore.ca.us has direct links to the above sources of information. Further information will be posted to that webpage.
