

NEW CODES TO TAKE EFFECT JANUARY 1, 2008

If you are an architect, engineer, designer or contractor who performs work within the State of California, please be advised that the State of California adopted new codes that will take effect on January 1, 2008.

The new codes in effect are:

 **2007 California Building Code**
(Based on the 2006 International Building Code)

 **2007 California Fire Code**
(Based on the 2006 International Fire Code)

 **2007 California Plumbing Code**
(Based on the 2006 Uniform Plumbing Code)

 **2007 California Mechanical Code**
(Based on the 2006 Uniform Mechanical Code)

 **2007 California Electrical Code**
(Based on the 2005 National Electrical Code)

All construction permit applications submitted after December 31, 2007 should be designed and engineered to meet the provisions of the new California Codes. Applications not based on these codes cannot be accepted.
